This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief to certain PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Privacy Act Notice.** The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

### (1) Strategies

#### **Need: Shortage of affordable housing for all eligible populations**

#### **Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- ☐ Employ effective maintenance and management policies to minimize the number of public housing units off-line
- ☐ Reduce turnover time for vacated public housing units
- ☐ Reduce time to renovate public housing units
- ☐ Seek replacement of public housing units lost to the inventory through mixed finance development
- ☐ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- ☐ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☒ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- ☒ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- ☐ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- ☐ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☐ Other (list below)

#### **Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- ☒ Apply for additional section 8 units should they become available

ETHRA applied for additional Housing Choice Voucher funding during the past five years.

ETHRA has met the goal for achieving "High Performer" status for the past three fiscal years.

ETHRA measured customer satisfaction and received the highest positive response from over sixty percent of our clients. Landlords were successfully recruited from targeted counties outside areas of poverty. Participating landlords were informed of program changes as needed.

ETHRA instituted a monthly staff meeting/training session for all employees and arranged for employees to receive advanced education training and certifications in areas such as HQS inspections, Section 8 management, Section 8 finance, and rent calculation.

Payment standards were reviewed annually and set at a rate that allowed more families to find and afford suitable housing in our jurisdiction.

ETHRA's FSS program expanded to include 58 families. Twenty-one of these families had established escrow accounts.

ETHRA's Board of Directors approved the Section 8 to Homeownership Program and three families have now used their vouchers to purchase a home.

Families with special needs were successfully accommodated to allow full participation in our program for everyone.

Clients received information on housing discrimination and were assisted with potential filings of discrimination claims when needed.
